Mission Statement

The Mission of the Program Committee is to deliver each year a scientific program that not only builds on past success, but sets new benchmarks for succeeding meetings.

To fulfill this mission we have set the following benchmarks for this committee.

1) Growth

Presentations - 5% increase in absolute number of abstract submission
Diversity - 5% increase in submissions from non-members

2) Content

Introduce IFATS to at least one new Medical Society each year.

3) Sponsorship

5% Increase in number of exhibitors and sponsors and related revenue.
